

4th BME GLOBAL PHARMA SUPPLY CHAIN CONGRESS 2019

February 11 – 14, 2019
Frankfurt Marriott Hotel
Germany

Join the only unbiased peer-for-peer event
for Supply Chain, Procurement and Logistics
executives in Pharma, MedTech
and Global Healthcare

THIS CONGRESS IS FOR YOU!

Topics that matter

- The E2E Supply Chain: Goals beyond visibility
- Accelerating performance in a low data environment
- Forecasting excellence
- Supply chain and the battle for customers
- Anchoring Blockchain security in real world pharma products

A multi-facetted platform

- Create your own agenda: Different topic streams to choose from
- High-quality networking: Interactive formats, small-group discussions and a premium social evening event to help you build a network
- Benchmark: Case-study driven presentations on current solutions and processes
- First-hand experience at no extra cost: Visit the Boehringer Ingelheim site, the Amazon Warehouse or Panalpina

Our foundation: from the industry for the industry

BME, as a neutral non-profit association, provides an unbiased platform to dive deep into the hot topics of today's supply chain, procurement and logistics leaders.

In our effort to deliver a valuable learning and networking experience, we are supported by two key industry stakeholder groups:

- Selected supply chain top executives from leading pharma and healthcare companies: the BME PSSC Steering Team
- Supply chain thought leaders from industry, international public and private relief agencies, as well as from healthcare institutions and NGOs.

Who we are? BME -The number one network for supply chain management, procurement and logistics

BME e.V. is Europe's leading non-profit industry association for supply chain, procurement & logistics, uniting more than 9,600 members and €1.25 trillion annual purchasing volume across all industries. With around 1,000 organized events and conferences per year, BME is the perfect host for a new premium pharma event on a global level

THURSDAY, FEBRUARY 14: CONFERENCE DAY 3/EXCURSIONS

Join one of our exciting field trips.

Note: Limited space available. Pre-event registration is a prerequisite. First-come-first-served principle applies.

Excursion 1: Visit of Boehringer Ingelheim site

Solids manufacturing facility: Realization in record time

It took only 18 months from strategic authorization to commissioning of the solids manufacturing site of Boehringer Ingelheim. Do you wonder how Boehringer Ingelheim managed this and what it took to realize such a project?

Join us on February 14 2019 and look for yourself. Boehringer Ingelheim offers you the opportunity to benefit from a guided visit of Boehringer Ingelheim Site, in which topics such as directed project work, "flexible facility", plant qualification and process validation will be emphasized.

Schedule will follow soon. Expected time range 10 am – 5 pm

Maximum capacity: 30 participants

Excursion 2: Amazon Warehouse Koblenz

Don't miss the chance to visit the Amazon Logistics Center in Koblenz which was opened in 2012 and currently covers 110,000 square meters which equals around 17 soccer fields.

Schedule will follow soon. Expected time range 10 am – 5 pm

Maximum Capacity : 50 participants

Excursion 3: Panalpina

January 2019, Panalpina Germany is officially opening the brand new Pharma & Healthcare GDP Temperature control Warehouse, with +2 to +8 and +15 to +25 DEG Celsius area with about 4.500 sqm, 6,000 pallet positions in Weiterstadt, by Frankfurt. The Healthcare Competence Center complying with GDP standards. In combination with our extended global Airfreight, Ocean freight and Contract Logistics network we enable our customers to reduce their supply-chain complexity, improve end-to-end costs and optimize lead time requirements.

In the guided tour, we will introduce you to our Healthcare Team and the new facility, in combination with Temperature Control passive and active packaging solutions excursion.
